

Comfort for Your House, **On the House!**

Buy a furnace from Comfort Control and receive a **FREE** whole-house humidifier!

LOW TEMPS, HIGH STAKES

Your furnace may have fought winter and won in the past, but when an older furnace breaks down again and again, it leaves you and your family in the cold with costly repairs.

TRADE WORRY FOR WARMTH

If you are worried your aging furnace might not make it through one more winter, it's time to replace it before it leaves you in a frozen bind. Have Comfort Control install a new furnace in your home and enjoy worry-free warmth all season!
